

## **Adiantum Baronial Council Minutes March 24th, 2025**

**Start time:** 7:05 pm **End time:** 8:56 pm

Meeting held in person at the Creswell Community Center, 99 S 1st St, Creswell, OR 97426 and via Zoom

**In person and online attendance:** Eoghan Ua Cléirigh, Muirenn inghean Uí Cléirigh, Enid of Hauksgardr, Dame Johanna Truepeny, Brynjarr Olfúss, Yseult Broceliande, Elizabeth Chandler, Alan Bowyer, Murchadh, Avina, John Wayland, Teresa of Adiantum, Katherine of the Lakes, Ailanthé of Williams Keep, Isis, Kaisa Turkuinen, Antone a la Lange d'Or, Dena Kelm, Vladimir Nicoli, Adelha of Ottersdam

### **Words from Their Excellencies:**

Birthday bash was great, it was so fun. Only got to take one of the classes but enjoyed it so much. We had such a good time. We really appreciated the candidates for sargentry we had for this year. We had one new candidate step forward for this coming year. We are going to Coronet next weekend, we very much encourage folks to go if they can.

### **Old Business:**

#### Populace Day Shade

Johanna and Yseult will cut the canvas for the populace day shade on Monday, 31 March, and she and Helen and Yseult will sew it together on Friday, April 4.

### **Events:**

#### Birthday Bash:

Hello,

The event went well. The Cut & Thrush championship list report has been sent in. It went well, though it did need to be pushed back due to few competitors. There were approximately 91 people through the gate. The baronial fundraiser earned \$399.25. We also received \$45 in donations. The Arts & Science displays were well received, as were the marshal displays. The day board went well and there were no issues. All of the classes were well attended and received high praise. The game boards were used by multiple people and 15 "thank you" cards were painted by the populace at the scribal table. The individual who was in charge of the Bardic could not show up, thankfully our Bardic champion stepped up and led a wonderful bardic including at least 2 dozen people. The person in charge of Gold Key could not run it because of family reasons, but thankfully our chatelaine and her deputy stepped up, Aila'ntha and Kaisa. Three new sergeants stepped up and one new candidate entered the trials.

Because this event is doing well, it appears as if we are out growing the site. This year weather allowed for people to go outside and watch the championship and for us to have a place for the marshal displays, but if the weather had been any worse people would have stayed inside and we would have not had room for the marshal displays or the championship. This site is great when the weather is good, but it is too small otherwise. We currently have a

good relationship with this site, so having another event at it could be good if good weather or fewer attendees were expected. Birthday Bash as an event often does not have good weather and has grown to have a large draw; thus a new site should be found for next year.

Thanks,  
Katherine of the Lakes

Egil's Skallagrimsson Memorial Tournament:

This month information was sent to the Crier, received, and will appear in May Crier

Meeting of all area leads was held on March 15th. All areas appear to be on track for preparation for Egil's. Prizes are progressing well with only 3 still being created, and those on schedule for timely completion well before Egil's.

We will meet with the Parks Department on this Wednesday, March 26th, for a walk through to determine work needed and what they would like us to achieve in our work parties. Work Parties will be scheduled and posted this weekend.

Site tokens are progressing well, with the benefit of help from the Thingmakers. We expect Site tokens to be completed by the end of April at the latest.

PR is being sent out regularly to groups within An Tir and Kingdom of the West. Maeve Cunningham has created short PR videos to publicize pieces like the need for A&S teachers, Merchants, etc.

We have received 8 merchant applications so far. A&S is receiving teacher applications. The actual count will be left to Pam Perryman to report, as I know it has increased since we last spoke with her earlier last week on that.

We will be meeting with our Chamberlain soon to meet at the storage unit to do an inventory of supplies, prior to purchasing what will be needed for lands, parking, etc. for Egil's.

Two new 'pavilion' are being donated this week to the Barony for Egil's. One 10x20 popup identical to the blue one for use by A&S, and 1 10x20 carport style for use at gate.

We will be meeting with individual area leads as needed this month.

Yours in Service  
Egil's Skallagrimsson Memorial Tournament Stewards:  
Teresa of Adiantum  
Aila'ntha of Williams Keep

If you go to Coronet- talk to folks about geek sessions and classes. Some stuff happening off of

merchants row, but not a lot confirmed at the moment.

Thinking about doing a consignment tent as a fundraiser for the barony. If you'd like to donate, talk to Ysuelt. If we know what we have ahead of time, we can advertise.

With the gold key officer and her husband currently out of commission, pending on how long, we need some folks who might be willing to step forward to assist. We also need some folks willing to host the newcomers camp.

**Event Bids:**

Still seeking a Bid for Amergins.

Also open for Bids for Mldwinters

Cregil's 2026- Egil's 50!

We have confirmed that the Crown has received the May Crown Bid.

Cregil's will begin at 3pm on Sunday the weekend of Crown. It will end at 3pm on memorial day, as usual.

May crown covers about ½ of the cost for our utilities. Essentially we would be looking at our usual Egil's costs and maybe some more attendance. Our site cap will be 1000 people.

The most important thing will be to know who is staying on site overnight. The cost for day use versus overnight is significantly different for us. (\$1 versus \$3 per person)

Question- Some folks may want to come to May Crown and want to leave their camps set up and then come back for Egils. How would we handle that?-- this is a problem that remains to be solved but that the committee is **very** aware of.

Parking and the Castravas, will this be an issue for the interweek?- Have charged \$500 for parking to Crown and the thought is to charge \$500 to Egils to cover the other days. We may be able to get away with parking more on site midweek as well, this is pending speaking to the park

Possibility for Merch for Egil's 50 and SCA 60.

Moving forward with the Cregils bid. Bid has been approved by council.

## 4. BUDGET INFORMATION

Suggested fee structure: Adults - full price, Youths aged 13-17 (18 in BC) - half price, and Children 12 and under - free. For events where NMS is required, the NMS does not apply to minors IF there is a reduced price for minors (NMS is charged to all non-members who qualify for the full event fee). If applying a Family Cap: a Family Cap should be 2 adults, 2 minors - all other minors of that family, free. Note: "Family" does **not** include SCA households or roommates - there must be a mundane relation. Commonlaw and same sex spouses are considered related. No more than two adults in a family group can qualify for the Family Cap price; all others of that family must be related minor-aged children. NMS is not included in the Family Cap price.

## Notes for 50<sup>th</sup> Egil Skallagrimsson Memorial Tournament Bid

### 1. General Information

**Type of event** – tournaments on the weekend of May 23-24, 2026, and extended event days May 18-22, 2026, for classes, workshops, experimental archaeology.

**Day food** – food merchants on the weekend of May 23-24, 2026, perhaps on the extended event days May 18-22, 2026, No food as a part of the event.

### 3. Site location and information

**Amenities** - Site is a bare land park. We provide portable toilets, a water truck, a garbage dumpster. Their cost is noted under Budget info, Utilities.

### 4. Budget Information

#### Event Fees:

Fees for the 50<sup>th</sup> Egil Skallagrimsson Memorial Tournament Tourney,  
the 11 day Cregils event, Sunday – Monday, May 18-25, 2026

Adult (age 18+)	\$90
Adult with SCA member discount	\$70
Youth (age 10-17)	\$35
Children age 0-9)	Free

For attendance and bookkeeping purposes, people can attend/pay for only part of the event:

Fees for Egil's Tourney Weekend only, Friday – Monday, May 22-25

Adult (age 18+)	\$50
Adult with SCA member discount	\$40
Youth (age 10-17)	\$20
Children age 0-9)	Free

We estimate 850 attendees, 10% youth, 5% free children, 40 comps, for an estimated gate income of  
adult:  $683 \times \$40 = \$27,320$  youth:  $85 \times 20 = \$1700$  Total fee income = **\$29,020**

Fees for Egil's Extension (Interweek) only, Sunday – Thursday, May 18-21, 2026

Adult (age 18+)	\$40
Adult with SCA member discount	\$30
Youth (age 10-17)	\$15
Children age 0-9)	Free

We estimate 200 attendees – this is totally uncharted territory, so all estimates are purely conjectural.  
 $140 \text{ adults} \times \$30 = \$4,200$   $10 \text{ youth} \times \$15 = \$150$  Total fee income = **\$4,350**

**So total estimated gate income for the entire event would be \$33,370.00**

**Estimated expenses, Utilities:** we have to provide:

Water truck:	\$1553.00
Toilets	\$4428.47
Dumpster	\$ 650.00
Parking fee	\$ <u>500.00</u>
<b>Total</b>	<b>\$7131.47</b>

**Insurance for the event** (\$75) is being provided in the budget for May Crown Tourney 2026, for which we have submitted a bid. The An Tir Seneschal Event Deputy said to do it that way.

## **Officer reports**

### **- Arts & Sciences - Yseult of Broceliande, Warrant Expires: 10/23/2025**

In the past month I posted research info on the internet and arranged for Adhela of Ottersdam to take over this office from me. I will resign at Council on Monday and she can run to replace me. I will devote myself to working on the A&S activities at Egil's Tourney 2025 and planning for Cregils in 2026. It has been a pleasure serving the Barony in this office, but Adhela has more energy for it at present and I think she will be an excellent officer.

Yseult

Received a donation of games, dance manuals, and various informational manuals that will be put into the little free library at Egil's and distributed to the A&S supplies as is appropriate.

### **- Chamberlain - John Weyland – Warrant Expires: 7/22/2026**

Greetings:

This is the very brief report for March from the Adiantum Chamberlain:

During the recent flooding, we lost one of our archery target stands. We still have all of the Egertec mats.

Birthday Bash appears to have been a quite successful event, and most of the Baronial property used for it, is already secure back in the storage unit. The exception being the table cloths, which I will launder and then return to storage.

Yours in service,  
John Wayland

### **- Chatelaine - Aila'ntha of Williams Keep, Warrant Expires: 10/23/2025**

During March I held a Chatelaine Thingmakers meeting on March 1st. We worked on Egil's site tokens and enjoyed getting to know each other better.

On March 19th I met with my deputy, Monet Holmquist, sharing information on what materials we have on hand for events as well as plans for upcoming events.

On March 22nd I taught 2 Newcomers classes at Adiantum's Birthday Bash and Monet Holmquist covered the Chatelaine table while I was away, as well as running Gold Key in the absence of our Gold Key Officer. Those classes were well attended and Monet did an amazing job filling both positions for the majority of the day.

Future plans include Thingmakers on April 19th, again working on Egil's site tokens and pursuing demos at local schools.

Yours in Service  
Aila'ntha of Williams Keep  
Chatelaine of Adiantum

Did a demo at the Children's Legacy Association- had about 11 SCA. Lots of interest. Already had one attendee from that demo.

- Chronicler - Enid of Hawksgard, Warrant Expires: 10/23/2025

The February meeting minutes were posted to the facebook group and sent to the webminster for posting on March 17.

- Exchequer - Asgerdr Audsdottir, Warrant Expires: 8/25/2025 (2nd Ext.)

Exchequer, March 24, 2025, 2025

Bank balance today: \$3+,355.67

My report for 3/31/25 should be done and in by April 10.

MidWinter's Feast

I deposited the \$400 check from the Grange.

Birthday Bash

Income of \$399.25 from the sales of donated items, \$45 cash donations

Expenses: \$105 for the site, \$75 for insurance. So there was a net profit if you use the donations and sales of donations of \$264.25 for the day. I don't know if other expenses will be submitted for reimbursement.

Egils

Pre-registration is up and running. 92 pre-reg submissions so far (I suspect 1.25 people on average per pre-reg, so about 125 people so far. I'm still working to get Avina set up as a second pre-reg person.

We need to push pre-reg prior to April 12 for the increased land allocation.

Cregils 2026

I'm good with Yseult's numbers, but please note this will be a pre-reg nightmare due to the possible payment options. Just a warning.

Asgerdr Audsdottir  
Exchequer, Adiantum

- Gold Key – Mearwynn Doublerose, Warrant Expires: 10/23/2025

No Nothing to report birthday bash will be on next month's report

Accepting bids for a new summer weight tabard. Preferred cloth would be cotton. The arms of the barony should be front and center. Want a black tabard with the barony's arms on the front with the officer's badge on the sleeve.

- Lists - Gundehar Holtzson, Warrant Expires 9/25/2025

Greetings,

I have been unable to attend any events lately due to ongoing medical issues and want to thank those folks who have been covering down in my absence.

Birthday Bash was this last weekend from what I hear it went fairly well.

Still looking for a deputy. Especially while I'm unable to attend events.

Yours in service,  
HL Gundahar Holtzsson  
List Minister  
Head of Retinue

Birthday Bash lists report went straight to Kingdom with cc'ed Principality and Adiantum.

- Marshal – Archery – Wilhelm der Munech, Warrant Expires:

Greetings:

This is the very brief report for March from the Adiantum Archery Marshal:

During the recent flooding, we lost one of our archery target stands. We still have all of the Egertec mats.

The archery range remains saturated to the point where it is unsafe to open yet, we continue to plan for Egil's tournament with inspections of all loaner gear.

During the Birthday Bash we held an introduction to archery & thrown weapons class. We had 5 newcomers attend the class.

Yours in service,  
Wilhelm der Munech

- Marshal – Armored Combat – Xenophon Philippikos, Warrant Expires: 12/28/2025 (Marshal: 10/8/2026)

One fighter was hurt, not injured, and frightened this month at a fighter practice. This has been documented in an incident report but does not meet the criteria to send up the chain.

To ensure this does not happen again bags will be moved back further from the fighting area, or once armored fighters shall move their bags to the hallway.

Fighter practice had a steady number of fighters around 6 per practice as people traveled to our practice in preparation for coronet.

- Marshal – C & T – Bohemond Reynard de Gervais, Warrant Expires: 7/24/2025 (Marshal: 5/28/2026)

No report

- Marshal – Rapier – Bohemond Reynard de Gervais, Warrant Expires: 6/26/2025 (Marshal: 5/28/2026)

About 3 to 5 people on a weekly basis with some new folks on a somewhat regular basis. (via Anton)

- Marshal - Thrown Weapons - Alan Bowyer, Warrant Expires: )

Practices held, scores submitted. No deaths or serious injuries, mayhem kept to acceptable limits.

Your most obedient servant,  
Alan Bowyer

- Scribe - Muirenn O'Cleirigh, Warrant Expires: 10/23/2025

We had a combination Gathering of the Scribes AND Bards this month and it went so well! The

focused scribes had some music to listen to and the bards had a larger audience to play for! We had about 18 people in attendance, many songs and poems were performed and many charters were painted!

1. Continued Scribal updates on FB as well as having a scribal table at most fighter practices.
2. Received large printing order to refresh our charter blank stores (have receipts for exchequer).
3. Prepped all awards, display, and scribal table at Birthday Bash. Scribes also created all the scroll site tokens for the event.
4. Coming up: Gathering of the Scribes and Bards, next month on the 9th at Adhela's house.

A&S Champion of Briaroak

- Seneschal -Antoine a la Lange d'Or, Warrant Expires: 9/26/2026

An inhaler was left at practice on Thursday- if you are missing it- Anton has it.

Moving forward. We've had a series of successful events, we're gearing up for our incredibly busy season. Burn out prevention is going to be very important. If you need to find someone so you can step down, do it before burn out sets in.

I have selected Enid of Hauksgardr as the drop-dead seneschal in case of reign this coming weekend.

Still need insurance paperwork for Fast and Loose.

Have been using this facility for sometime, have been expanding the search for a new location. There are very few venues that meet our needs. It has to be inexpensive, quiet, and allow food so we can eat dinner.

The nice thing about the Creswell site is that we have several people who can pick up the key in town.

We need to know for the next quarter- do we want to stay here or move back to the Hawiaan place?

What would it cost us a year? \$35x12, it does cost.

Suggestion of 2 online information gathering polls- one on discord- one on facebook. Back to Lani Moku or at the community center.

We will send out a data call poll and we will be back to the Community center next month with a potluck dinner.

- Social Media Officer – Theresa of Adiantum. Warrant Expires: 6/24/2026

Good afternoon,

I have created events, monitored the Barony web page, and promoted upcoming baronial events. Nothing more to report.

**Officer Applications:**

Adehla of Otterdam- Recommend for A&S officer-  
Has not held an SCA office before but has held Modern offices.

Is a paid officer and can fill out the paperwork to take the office

Did meet with Ysuel and discussed reports, events, championship and various expectations of the office.

Approved unanimously.

**New Business:**

**Other Business:**

Spring "Fling"- Siege weekend- 12-13th in Roseburg

Isis has been approved for surgery, next month. Aiming for mid next month.

Johann's sister is doing a kitchen and clothing exchange at the end of april. If you are interested, call her.

Thing Makers is the 19th.

Massive Gold Key- does not work for smaller events- generally folks go for tunics and dresses. It would be easier for our smaller events and would allow a smaller stock for smaller events. Might be funded by the sale of some of our existing gold key.-- gold key officers have decided that this is already what will be happening.
